

# WALK TALK & LUNCH

HERETAUNGA  
WOMEN'S  
CENTRE

As we wrap up our September celebrations this year we will close with our popular Walk Talk and Lunch.

Hopefully the weather will be fine and we can set out together for a casual stroll around the Hastings streets. So why not dust off your walking shoes; call up your bestie or whistle up your friendly beastie and come along for some friendship and fun. This year Eileen Lawson will talk before our lunch about her experience as a councillor and the importance of having women's voices on councils and other representative bodies.

**WHEN :** Sunday 29th September

**WHERE:** Meet at the Heretaunga Womens Centre to **Leave for walk @ 11.30**  
**12.00 – Guest speaker –Councillor Eileen Lawson**  
**12.30 – Shared Lunch**

**WHAT TO BRING:** Something to share for lunch, comfy shoes if you are walking

Want to join in but don't want to walk? No worries the Centre will be open at 11.30 and you are welcome to help set the tables, plate up food etc; and I am sure there will be time for a cuppa and chat in there as well.

If you can let us know you are coming that's grand .....otherwise see you on Sunday 29th 😊
